

# if you **SEE** something **SAY** something

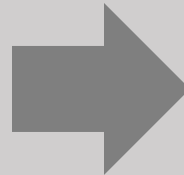

The “If You See Something, Say Something” plan helps empower and educate students, and the public, on suspicious activity and how to report it. It is more than a slogan. It is how we protect ourselves, our loved ones, and our communities.

**YOU!!** play a key role by recognizing and reporting suspicious or questionable activity. If you see something concerning, such as bullying, discrimination, mental health concerns or thoughts of self-harm, we are asking for your help to report it immediately.

## **IF YOU**

**See something**  
**Read something**  
**Hear something**  
**Know something**  
Then you should

**SAY SOMETHING**

## **TELL YOUR**

**Parent**  
**Teacher**  
**Principal**  
**School Counselor**  
**Any Trusted Adult**

**Or Call 911 for  
Emergencies**

## **It can be difficult to define:**

- Take your time to pay attention to your surroundings and events.
- Know what suspicious or concerning behaviors look like.
- Does the activity look strange to you?
- Are you worried someone is thinking about hurting others or themselves?
